Description

Quick description Imposing and old crucifix, altar candelabra circa 1800. Made of carved wood and wrought iron, work on both sides: Christ on one side, the Virgin on the other. Initially used with candles, seems to have been electrified in the 50s. The electrification was revised about twenty years ago, everything is still perfectly functional, the work was well done. Some small lacks of paint, but overall in good condition for a piece of this type and of this period. Dimensions 98cm high, 52cm wide and 38cm deep. Price 1400EUR Additional photos and other objects of the kind on our site: Old-School-Bazaar.com
