Description

Pair of Solid Chestnut Columns, waxed with a light patina and not varnished. Can be sold individually. From the 1970s. Octagonal in shape, they are assembled from nine pieces of solid chestnut wood. They are very heavy and very solid, they can hold very heavy statues. It is noted at the base of one of them that an edge is very slightly rounded, visible in the photos. The light patina has been completely redone in our workshops. All in very good condition. Dimensions: Height: 70 cm Top 24.3 cm by 24.3 cm
