

Arched Cat Corkscrew Circa 1930-1950

580 EUR

Period : 20th century

Condition : Bon état

Material : Silver metal

Height : 15cm

Description

Charming antique corkscrew depicting a cat with an arched back and red-encrusted eyes. A rare and unusual object, typical of the humor and whimsy of certain productions from the 1930s and 1950s. The central screw passes through the feline's body, forming a coherent and decorative whole.
