Description

We present this exceptional brass warming pan, originally Flemish and for us from the 17th century with a religious scene. Collector's item for true collectors. The photos speak for themselves, we bought this item in 2005, 350 Euros, we are selling it twenty years later for 480 Euros, it was part of our collections like many that we have and that we will be selling in the coming months. Very good condition. Shipping extra (E25)
