

Large Chocolate Cup From The Early 19th Century In Solid Silver, Old Man's Hallmark, Charles X Re

340 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Description

This beautiful chocolate cup decorated with vine branches is in good condition, with some small dents and slight traces of time. Note the beautiful handle in the shape of a winged woman. Both pieces have an old man's hallmark (guaranteed solid silver between 1819 and 1838) and a Ceres head hallmark (Paris hallmark). A goldsmith's hallmark, partly erased, is visible under the saucer. When you look closely, this cup seems to have been made in three separate parts. I don't know if this is an old restoration or if it is original. Height of the cup (without the handle): 10 cm. Diameter of the saucer: 14.5 cm. Total weight: 238 grams. Fast, careful and very secure shipping, free for France.
