### Description

Pair of large garden vases in reconstituted stone in the Neoclassical style. These are pieces dating from the 60s with great decoration. Richly worked model. On a square base, the vase rises with strong gadroons in frieze on the belly. Faun mask in the middle and on the sides, handles. Good condition of house, they were full of earth and plants when purchased in the property. They can remain outside. Regluing on the bases. Cracks on the pots not brittle. Moss and lichens form a beautiful patina. Period around 1960. Weight approximately 100 kg each. Due to the very heavy weight, 3 people are required to handle them. Delivery on 2 pallets by carrier on the ground floor in front of your home "at the back of the truck", 500 euros in France, 1500 euros in the EU and 4000 euros rest of the world.
