

Crystal And Gilt Bronze Basket Chandelier, Late 19th Century

10 000 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 70

Height : 95

Depth : 70

Description

Large basket chandelier in chiseled and gilded bronze with an animated decoration of volutes and foliage scrolls. It has 10 lights and a rich ornamentation of prisms, plaques, rosettes, pendants and rows of cut crystal beads. The light arms enclose the opulent and very beautiful basket in daisy trellis. The lower part is adorned with large simple and faceted pendants, and a sphere. [LEARN MORE](#)
