Description

Large bronze statue of a bird charmer by Belgian sculptor and medalist Auguste de Wever. He wears a ribbon and is encircled by a drapery supporting a small sword. His collar is adorned with a medallion in the shape of an elephant. Antique bronze cast with a nuanced brown patina. Signed on the base "de Wever" and titled "L'oiseleur Indou"... Read moreCondition report: In very good overall condition, with a small crack at the arch, visible in the photos.LEARN MORE
