Description

Porcelain planter with polychrome and gold decoration, and a chiseled and gilded bronze mount. It is decorated with gold-framed cartouches adorned with a gallant couple on one side, and a bird on a branch on the other side. The interior is decorated with a garland that surrounds the basin with, in the center, a bouquet of flowers. Below the basin, a young man playing the horn to a woman, in the shade of a tree... Read more
Condition of the object: this planter is in good overall condition. The porcelain is in very good condition. The gilding is in good original condition with some small signs of wear inside the medallions. The bronze mount has some micro-cracks visible at the edge. LEARN MORE
