

Tsuba Late Edo Or Medji Period

650 EUR

Period : 19th century

Condition : Très bon état

Description

Forged iron tsuba of Naga Maru Gata (oval) shape, With inlays in shibuichi, gilt copper, and silver, A taka zogan (high-relief inlay) design depicts birds among branches. There is an unidentified signature present. Diameter ranges from 7.3 to 7.9 cm. This tsuba was used, and the presence of seki-gane even suggests it was reused. In very good condition, despite a few minor signs of wear.
