

Two 19th Century Statue Crowns

600 EUR

Period : 19th century

Condition : Très bon état

Description

Two resplendent crowns of statues, probably for the Virgin Mary and the baby Jesus. They are in gilded metal and date from the second half of the 19th century. They are richly decorated with colored crystal. Good general condition, 3 small white stones and one red are missing. A blue stone from the small crown needs to be re-set but is present as visible in the photos. One of the blue stones from the large crown has a chip, otherwise perfect condition. A lot of charm and presence for these procession decoration accessories which are similar to objects of curiosity. Period 19th century. Maximum height of the largest: 10cm.
