Description

Large Oil on Canvas from the End of the Beginning of the 19th Century after François Hubert Drouais. Important oval oil on canvas from the beginning of the 19th century in its original gilded wooden frame, representing the "young student" after the famous painting by François Hubert Drouais (1727-1775). François Hubert Drouais was a famous portraitist, very appreciated and fashionable at the end of the reign of Louis XV, he left us many portraits of great beauty and testimonies of illustrious personalities of his time. Our portrait is a beautiful interpretation of this beautiful painting, here the colors are more stamped which gives a different charm to this portrait of a young man studying drawing. The details are delightful: the slightly mischievous look, the ponytail, the drawing board
