

## Asian Architectural Element In Carved Pine With Foo Dog Decoration

## 290 EUR

Period : 19th century Condition : Quelques manques Material : Pine Width : 22 Height : 62 Depth : 32

## Description

Beautiful Asian architectural element in carved pine with a Foo dog decoration. It's difficult (for me) to give an origin or age, but it's at least 19th century. Some losses here and there, and previous repairs. Very decorative with a lovely patina.
