

Luminous Fish

240 EUR

Period : 20th century

Condition : Très bon état

Length : 54cm

Width : 17cm

Height : 38cm

Description

A large fish made of varnished exotic wood, whose hollow belly contains the ship it has swallowed whole, with its sails unfurled... The whole thing lights up, the belly and the eyes through the glass beads that represent them. It is undoubtedly a unique creation, the gift of a skilled grandfather to a pampered little child. There is indeed too much work and care in the making for it to be an object intended for sale.
