Antique Solid Beechwood Cradle - Early 20th Century  
A Childhood Treasure Passed Down Through Generations  
This charming cradle, handcrafted in turned solid beechwood in the early 20th century, seems to have stepped straight out of a fairytale. Every detail - from the finely turned spindles to the soft, rounded shape - evokes the tenderness of a newborn's first days, gently rocked by the loving hands of a watchful mother or father. It once belonged to a family in the French countryside, where it welcomed several generations of newborns. The smooth and stable rocking mechanism helped soothe little ones with a calming motion, while the tall curved wooden arm was designed to hold a protective canopy, softening the light and enhancing the peacefulness of the baby's cocoon. This cradle still
