4 200 EUR

Period : 20th century

Condition : Très bon état

Material : Solid wood

Diameter : 50 cm

Height : 74 cm

Description

Charming pair of Louis XVI style coffee tables or pedestal tables, dating from the early 20th century. Each table rests on four tapered and fluted legs richly decorated with gilt bronze decorations. The apron is finely decorated with floral garlands and rosettes, highlighting the quality of the ornamentation work. The circular top is topped with beautifully crafted veined marble, framed by a beaded molding.

Dimensions: o Height: 74 cm o Diameter: 50 cm

Elegant and decorative models, perfect for a classic interior or to complement period furniture.
