Pair Of Solid Brass Sconces, Sweden

1 680 EUR

Period : 20th century

Condition : Très bon état

Material : Brass

Length : 15

Height : 24

Depth : 14

Description

Sweden, 1960s: Pair of solid brass wall sconces. The deconstructed cylindrical composition and the use of solid brass transform these wall sconces into veritable "light traps." Even when switched off, they retain a strong sculptural presence and bring real aesthetic value to the space. H 24 cm x D 14 cm x W 15 cm.
