talking about a simple cleaning here. We are talking about a ritual, an art, a textile miracle.????

Restoration of Aubusson tapestries & rugs - 20% off restored beauty. Frayed threads, faded colors, tired weaves... Don't let time erase your heritage! Our artisan restorers, true textile surgeons, bring the noblest tapestries back to life with almost liturgical meticulousness. The needle in their hands is not a tool: it's a magic wand. Take advantage of this summer discount to give your wall-mounted masterpieces a new lease of life.

Oriental rugs - 30% off for a deep cleaning worthy of the palaces of the Orient. Beneath their robust exterior, oriental rugs conceal a rare delicacy. With us, each rug is treated like a treasure: hand-washed using natural processes that respect wool, silk, and ancient pigments. The result? Revived colors, restored softness, and a shine as good as the first day. And this summer, this rebirth comes at a friendly price.???? Why now? Because summer allows for optimal drying, because the days are long and our craftsmen are ready to welcome your pieces, and above all... because it's time to give these wonders the luster they deserve. An antique rug or tapestry is a member of the family. And it deserves care worthy of its rank.???? WHERE? A stone's throw from the Eiffel Tower, the Atelier Galerie Lissier opens the doors to a rare world where every fiber counts, every gesture is precise, every work is respected.???? WHEN? All summer long - But be careful: our craftsmen only have two hands and slots go fast!???? Entrust your treasures to us. We will restore their shine. Price: cleaning from EUR50/m2 Restoration: on estimate
