### Description

A cigarette case or other...! In solid silver gilded interior "vermeil"... And in black enamel on all the exteriors... The decoration is painted... With inlays for certain details of the decoration of gold leaves... With enamels or other translucent with tints for certain details of the decoration: jade... It is very beautiful... A small pet with lack of enamel in one corner... And some wear from use but it really does not matter...! I can have it restored by an enameller if necessary, within 1 to 2 months...Budget around EUR150 h taxes...The hinge and the closure are fully functional... Signed in manual engraving: ALFRED DUNHILL - PARIS... Otherwise it is checked with the boar's head... In addition to the word sterling...! Either 800 or 925/ 1000 ... I have not yet cleaned it well, it will be done as soon as
