Description

A cast bronze empty pocket subject...In two parts...Moreover, I took a photo where you can see the junction of the two parts...A little mouse in a lily of the valley leaf...Nibbling a bell...And its sprig running along it...In perfect condition...With a little oxidation from use...And the little mouse moves a little...Of course, it's nothing serious...!Signed by CAÏN AUGUSTE...FRENCH artist...A big one from that time between the late 19th and early 20th centuries...With a nice quote...From the 1900s...The subject is slightly hollow...!Weight... 154 gr
