Description

Very expressive portrait of a young man with glasses signed AM Roucole, oil on canvas and frame from the 19th century of the second part. This applied painting is a quality work where all the expressiveness of the character is not lacking. This beautiful and I think faithful painting represents, see his clothes, a notable from the Province, see a Doctor... Very decorative, this generous canvas is restored, cleaned and freshly revarnished in our workshops. A beautiful and proud decorative portrait in very good condition
