

Series Of 12 Earthenware Plates "the New Testament", Sarreguemines

180 EUR

Period : 19th century

Condition : Très bon état

Material : Earthenware

Description

Elegant set of 12 plates in fine "opaque" earthenware produced by the Sarreguemines factory, decorated with biblical scenes from the New Testament. Each plate features a central black and white illustration depicting a religious episode, framed by a rich blue floral border on a white background. These pieces demonstrate the exceptional expertise of the Sarreguemines earthenware factory in the 19th century, both in the finesse of the decorations and the quality of the earthenware. A complete and consistent set, perfect for a collection or a wall display.
