

Viera Da Silva. Dedication With Drawing

850 EUR

Signature : Viera Da Silva (1908-1992).

Period : 20th century

Condition : Bon état

Material : Paper

Length : 27 cm

Width : 23,5 cm

Description

A dedication representative of Viera da Silva's imaginary constructions upon the publication of a monograph in 1971. Henry Bonnier was a prominent literary critic and writer. Our drawing is a beautiful tribute from the artist to Henry Bonnier. The letters come to life like scaffolding in search of balance.
