### Description

This gouache on paper represents the Craon cemetery in bloom. On the back there is a legend "Cemetery of the Benedictine nuns of Craon, painting executed by one of the nuns and offered to Grandpa after the war of 39-40". The whole is in a generally acceptable condition, but not perfect, we note a slightly warped work, a damaged corner of the frame, on the back the paper is torn and there are damp stains. Our photos allow you to appreciate the quality of the work. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
