Description

Beautiful Biedermeier-style chest of drawers from Northern Europe, dating back to the second half of the 1800s. Crafted from fine mahogany wood and blond mahogany veneer, it features an elegant drop-down front drawer with internal compartments, three spacious drawers, and a flat top edge adorned with carved columns. Gilded bronze handles complete the refined look and add a touch of luxury to the piece. Origin: Northern Europe Period: Second half of the 1800s Style: Biedermeier Dimensions: 102x48x99h cm
