Description

Shagreen bench by Ria and Youri Augousti - 1990s Elegant bench made of light-colored shagreen (ray skin) by the renowned designer duo Ria and Youri Augousti, known for their refined work with precious materials and contemporary design. The seat is framed by a structure with elegant, geometric lines, with a base and details in patinated brass, typical of the Augousti aesthetic. A sculptural, functional and highly sought-after piece, ideal for contemporary or eclectic interiors.
