

## Ria And Youri Augousti Coffee Table - Cracked Finish, 90s

2 300 EUR

Signature : Ria et Youri Augousti

Period : 20th century

Condition : Bon état

Diameter : 60

Height : 55

### Description

Elegant coffee table by Ria and Youri Augousti, created in the 1990s with a refined cracked finish, a visual signature alternative to the famous shagreen used by the designer couple. The geometric and balanced shape of the piece highlights the unique texture of the surface, with its slightly patinated and textured appearance. A rare and decorative piece, ideal for a contemporary interior or a design collection.
