

Shagreen Coffee Table By R&y Augusti Année 2000s

3 500 EUR

Period : 21st century

Condition : Bon état

Material : Shagreen

Width : 64

Height : 60

Depth : 51

Description

Refined coffee table by Augousti, daughter of Ria and Youri Augousti. The piece features a geometric, minimalist structure, entirely covered in shagreen (ray skin) in light, soft tones. The meticulous finish and brass or patinated metal details highlight the elegance of the design, in keeping with the iconic style of the Augousti house. A high-quality decorative piece, ideal for a high-end interior or a contemporary design collection.
