

Large Saint Paul In Terracotta From The Early 19th Century

1 850 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Height : 75 cm

Description

Large terracotta statue representing Saint Paul. This is a statue from the beginning of the 19th century representing the Saint accompanied by his sword with very beautiful details in the sculpture of the face, in the features of the face, his beard, the drapery of his cloak. The saint thus appears in all his majesty with a lot of expression in the face, the patina is superb. A vent hole is located in the back of the statue. The pommel of the sword has been restored as well as a corner of the base. Please note this is a large terracotta the height is 75 cm A high quality terracotta work with a great spiritual and emotional force which emerges from the face of the Holy man and his attitude. Dimension: 75 cm high. We deliver and ship all over the world please contact us for a precise quote
