Description

A walnut office chair from the Restoration period (first half of the 19th century), upholstered in genuine leather. Resting on a console base at the front and a sabre base at the back, it is suitable for regular use as it was recently restored by the previous owners. Seat height: 51 cm. Note that there are three small dents on the seat without any perforation of the leather. (See photo) We offer packaging and shipping within mainland France for EUR80.
