Description

"19th Century exotic wood armchair and chair" splendid set of armchairs and chair in hardwood with a richly carved dragon back, plant decoration of berries and flowers highlighted by a frieze of "denticles". These elements and the exuberant style of the whole recall the European-influenced furniture that appeared in China in the 18th century, but whose production developed mainly from the second half of the 19th century. This furniture is characterized by a very rich and exceptional decoration. armchair height 100 cm width 48 cm depth 42 cm chair height 100 cm width 38 cm depth 48 cm
