

Pair Of Rock Crystal Candlesticks

2 500 EUR

Period : 20th century

Condition : Bon état

Material : Crystal de roche

Height : 30cm

Description

Magnificent pair of rock crystal and gilded brass candlesticks resting on ball-shaped feet, probably Italian work from the 20th century. Each element that makes up the central shaft is cut into facets and separated by scalloped rings in gilded brass. The bases and bobeche are hexagonal in shape. Very decorative, the transparency of the rock crystal contrasts magnificently with the gilded brass finishes. Good dimensions, in good condition, some tiny irregularities on certain edges at the Heights: 30cm Shipping costs extra.
