Ornamental Column In A Neoclassical Style - 19th Century

1 080 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Height : 88 cm

Description

19th century ornamental column in a neoclassical style, garlands and draperies typical of the neoclassical style evoking ancient splendor, rudentees and vertical fluting inspired by Greek and Roman columns, carved laurel leaves and acorns. Classical symbols of victory or nobility. The column rests on a marble base.
