Description

Important desk table in solid blond walnut dating from the end of the 19th century. A large desk on all sides and at the ideal height for working! It opens on the front with three large drawers making the entire depth. They are mounted with dovetails. They open with keys working with the original locks, the molded top is superb with beautiful blond walnut boards. The belt is fat with deep Louis XIII moldings. It rests on four very fat double-torso turned legs. The legs are connected by a beautiful Louis XIII double-torso spacer, and there are 4 Louis XIII bobèches or tops under the top turned and heavily molded. Very beautiful patina of the blond walnut. No attack of woodworms and no restoration. A superb Louis XIII style desk of large dimensions. Dimensions: 140 cm by 75 cm wide and 82 cm high. We
