Description

Created for the Marc Chagall (1887 - 1985) exhibition at the Galerie Maeght, Paris, in 1964. Le Ciel bleu is an original poster printed in lithography by the Mourlot workshop, a Parisian reference. On a textured blue background, a floral mythological figure emerges, turned towards a blurred horizon. In the background, Paris is sketched: Notre-Dame, the Seine, floating out of time. The line remains lively, almost tactile, faithful to the poetic and symbolic universe of Chagall. Dimensions: 70 x 55 cm (framed)
