

A Terracotta Sculpture By Gossin And Visseaux

28 000 EUR

Period : 19th century

Condition : A restaurer

Material : Terracotta

Diameter : 116

Height : 117 cm

Depth : 76

Description

An exceptional sculpture, from the Maison Gossin et Visseaux in Paris, in terracotta. The sculpture of very high quality, represents a group of 3 cherubs symbolizing Autumn. The work is signed Gossin, with a possibility that it was made by Louis Gossin, for the Visseaux factory. Some small restorations to be expected.
