### Description

RARE! Less than 2 months ago a vase similar to mine made 3000 hammered, or about 3800 with the costs! It is acid-etched and enameled and is in good general condition. Note a small chip glued back on top, see the penultimate photo. The chip is only on one side of the vase. It is possible to peel it off to glue it back on better than that.

Height = 30 cm
