Description

Iron wire shutter Late 19th - Early 20th century Folk art. Was used to present tarts, pies ... Vosges work from the Plombières les Bains region. Was also produced in the Xertigny area. This work was carried out in small family workshops by the fire in winter after the fields were finished. Rests on 10 volute-shaped feet. Has a handle. Decorated with 35 tassels. Remarkably fine work.
