French Display Case In Exotic Marquetry And Mother-of-pearl - 19th Century

1 150 EUR

Period : 19th century

Condition : Bon état

Material : Wood marquetry

Description

Elegant 19th-century French display cabinet, made of precious wood finely marquetry with exotic geometric motifs, inlaid with mother-of-pearl and richly decorated with gilded chiseled bronzes. The front has a large curved glass pane, while the sides feature superb curved and beveled glass. The interior has a mirror at the back, highlighting the objects on display and accentuating the depth of the display cabinet. High-quality work, representative of French cabinetmaking from the second half of the 19th century. Very good overall condition, with a beautiful patina on the wood and bronze. Dimensions: height 190 cm - width 105 cm - depth 50 cm. Decorative and functional piece, perfect for a collection or a refined interior.
