Description
-------------

Beautiful and elegant walnut chest of drawers from the Regency period, Provençal work, early 18th century around 1720. The chest of drawers we are presenting opens on the front with two slightly curved drawers. It rests on the back on two snail-shaped feet. The drawers are mounted on an apron as well as the sides in the shape of a gendarme's hat. A beautiful chiseled and gilded bronze ornamentation completes the decor. An original turquin marble top gives elegance to this piece of furniture. A shell as well as flowers are carved on the sides and on the belt of the front. Dimensions: l.108 cm x d.57.5 cm x h.82 cm. Private collection. Good condition (Small treated wormholes).
