

## Louis XVI Period Mirror In Gilded Wood.

930 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Gilded wood

Width : 55 cm.

Height : 108 cm.

### Description

18th century period mirror circa 1785 in gilded wood, mercury mirror. The carved and openwork pediment is on the theme of music and trimmings, baskets topped with fruit above the uprights, bouquets of acanthus leaves in the extension at the bottom of the uprights and at the bottom of the crosspiece an apron of branches secured by a knot, in the corners of the frame squares decorated with daisies, the molding has on one side a frieze of water leaves and on the other side at the edge of the mirror a line of pearls.
