### Description

Offered for sale is an exquisite sterling silver candlestick, design No. 5, by renowned Danish silversmith Georg Jensen, based on a model by celebrated designer Johan Rohde.

Crafted in Denmark in 1949, this elegant candlestick features Rohde's signature balance of classicism and organic form. The fluted, tulip-shaped socket rises above a tiered, circular base with refined detailing and pierced gallery work--hallmarks of early 20th-century Danish modernist design.
