Vintage Painting Or Photo Frame Made From Old Printing Blocks - Decorative Typographic Art

350 EUR

Period : 20th century

Condition : Bon état

Description

This unique and stylish picture frame is composed of authentic antique printer's blocks, arranged to form a striking typographic border. Each block is crafted from dense hardwood and displays a variety of reversed letters and numbers in rich tones of orange, brown, and black - a true celebration of the graphic arts tradition. Please note: a small amount of old woodworm was present in the backing wood (not in the harder printer's blocks themselves). It is long since inactive, and I treated it personally as a precaution. A perfect piece for lovers of graphic design, vintage printing, or eclectic interiors.
