400 EUR

Period : 19th century

Condition : Bon état

### Description

Offered for sale is an exquisite antique French bronze jewelry or trinket box, featuring an elaborate pierced Rococo-style design and a finely hand-painted miniature pastoral scene, signed P. Brin.

The lid is adorned with intricate floral and scrollwork, surrounding a charming 18th-century-style courting scene, reminiscent of Fragonard or Boucher. Two white inlays on either side of the miniature provide elegant contrast to the rich bronze tones.

The quality of craftsmanship, combined with the signed miniature painting, suggests this was a luxury item--likely dating to the late 19th or early 20th century, possibly French or Viennese origin.
