Description

An arrival at the port without damage for this pretty boat, schooner, 4-masted sailing ship, preceded by a valiant tugboat, in its old blown glass bottle. French folk art work from the last quarter of the 19th century. Patience and precision in the labyrinth of "ropes" separated by small blue glass beads. French flag, slightly discolored, probably by sea spray!...The tugboat's chimney and the smoke escaping from it seem to be represented by the end of a brush... Old bottle, blown glass, presenting "bubbles" and "streaks", and the "drop" in the hollow of the deep base. Overall in very good condition. Length = 32 cm, diameter = 8.5 cm Weight 785 grams. An extremely careful shipment is possible in addition, to be studied according to distance.
