

"gypsy Family On The Road" Oil On Canvas 19th Century

650 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Description

Scene from the life of a gypsy family showing a mother holding her son, a little girl behind holding her skirts so as not to get her dirty on this muddy but nevertheless limited path, in the background the caravan turned towards the horizon, ready to take the road again in the early morning in the light of the rising sun. Oil on canvas 19th century Restorations, cracks Size 54 x 87 cm
