Depth : 4,2 cm

Description

Very rare Clock called Mignonnette in two-tone chased bronze (gilt and silver) with its transport case and its original key. It has a grand striking mechanism. It strikes the hour and the quarter hours past, repeating the striking of the hour. It has the striking function on demand by pressing the button above. The striking mechanism is wound up below with the male square of the key. The gilt and silver bronzes are in very good condition.
