Description

Antique four-legged Louis XVI console table with original Louis XVI carved wood mirror, made in Piedmont, Italy.The console table is lacquered and gilded in its original condition. There are some small restorations to be done, which we will carry out once it is sold (so the piece is being sold without any work).The carved and gilded wooden mirror features original 18kt gilding and is in excellent condition. The mirror applications on the legs and the richly carved cornice are particularly high-quality. The mirrors are original, silver-plated.The two pieces have a total price of EUR18,000.00.The total height of the console table and mirror is 283 cm.The width of the green marble console table is 105 cm at the front and 130 cm at the back.The depth is 60 cm.The height of the console table is 93 cm.The
