3 570 EUR

Period : 20th century

Condition : Restauré

Material : Brass

Diameter : 48

Height : 40

Description

This pair of round brass and black side tables was made in France in the 1960s. Attractive cast brass; please see our photos to appreciate the faux bamboo details. The black glass gives these tables an elegant look. Slightly lower than standard size side tables, they are an excellent choice for the end of a low sofa or armchair set.
