### Description

With its elegant yet simple design, this table is a valuable addition to a living room. The perfect place to display your favorite books. This table model is a rare and large model, we have not had this size before. We currently offer smaller two-tier and single-tier models, if you are looking for a different size. Please contact us with any questions. Made in France in the 1960s, designed by Jacques Théophile LePelletier, signed and stamped. JT LePelletier is recognized for his influence: his simple and clean interpretation of neoclassicism has influenced successive generations of cabinetmakers. Classic mid-century French design.
